Watch the Sunrise

For early-birds who love little adventures! Find a local spot to take in the beauty of the sunrise together. Your car provides the perfect front row seats.

Nature Drive

Similar to the sunrise idea, but no early rising required. Take some time together to appreciate the natural beauty around you.

Town Scavenger Hunt

Look for the hidden (or not so hidden) local gems. Consider making a list and/or stopping for pictures.

Trunk Picnic

This can be a stand-alone idea or an addition to any of the ideas listed above! Picnics are a tried-and-true date idea –but having it in your car means that the weather won't spoil your plans!

We hope you feel inspired to get creative & have fun! Need to make sure everything with your car is running smoothly before your Valentine's date? Bring it into Tuffy, we'll show it a little TLC this February.
